

A 3D rendering of a small, white, rectangular building with a grey door and a grey roof, surrounded by dense green foliage and trees. The building is situated on a gravelly path or clearing in a wooded area.

A photograph showing a wide, flat area covered in light-colored gravel and small stones in the foreground. A thin strip of green grass or moss runs along the edge of the gravel area, separating it from a dense line of green bushes and trees. The background consists of a steep, rocky hillside with patches of green vegetation and some bare rock faces. The sky is overcast and grey.
